**Consultant Urologist
Full time (10 PA, including up to 2 PA SPA) or part time**

Salary Scale - £82,669 - £109,849 per annum (pro rata)

Looking for a new and exciting challenge? Then think about working in NHS Forth Valley in the heart of Scotland.

Applications are invited for the post of Consultant Urologist for NHS Forth Valley. The successful applicant will join an existing team of four consultants and participate in the delivery of urology services to Forth Valley. This post will fit into the planned future for delivery of services to the whole region and will focus on the management of core urology, as well as flexible opportunity to develop sub speciality services in Forth Valley. The West of Scotland Consultants form a network of clinicians with sub-specialty interests featuring regular meetings with a focus on clinical support, service development and clinical education.

You can look forward to a warm welcome and strong support from colleagues. Our hospital is situated in the heart of Scotland, nestled against the Loch Lomond and Trossachs National Park, and close to vibrant towns that are richly endowed with excellent cultural and sporting facilities, offering good transport links to Edinburgh and Glasgow.

To apply for this post, please visit the job posting on the NHS Scotland Job Train website.. Applicants should have full GMC registration and a licence to practise. Applicants will be in possession of the FRCS (Urol), registered with the General Medical Council and on the Specialist Register or be within 6 months of the anticipated award of a CCT at the time of interview or have a certificate of Eligibility for Specialist Registration (CESR). Applicants are required to have evidence of recent continued academic and professional development. Excellent, communication, listening and organisational skills are essential.

Informal enquiries should be directed to Mr James Tweedle on 07795148298 or by email james.tweedle@nhs.net

Closing date: Friday 24th July 2020

Interview date: Thursday 13th August 2020

Please quote reference number 024683 on all correspondence.

Introduction to NHS Forth Valley

NHS Forth Valley is one of 14 regional health boards in Scotland and serves a population of nearly 310,000 in a diverse geographical area which covers the heart of Scotland and covers three council areas, [Clackmannanshire](#), [Stirling](#) and [Falkirk](#).

NHS Forth Valley has an annual budget of approximately £570 million and is the largest employer in the area, with approximately 8000 staff from a wide range of professional and support occupations. Acute Services are based in our modern, purpose built 860 bedded, Forth Valley Royal Hospital, which opened in 2011 and provides inpatient and outpatient services. It is supported by a network of four [community hospitals](#), 56 health centres, day centres providing care and support for patients with mental illness and learning disabilities and a wide range of community based services.

We are home to the [Scottish Centre for Clinical Simulation and Human Factors](#), one of the most advanced training facilities of its kind where medical staff are able to hone their skills using computerised mannequins. In addition, NHS Forth Valley has been named in a survey of trainee doctors as one of the top places to be in the UK for medical education and training.

There are two Health and Social Care Partnerships (HSCP) which cover the Forth Valley area – one for [Clackmannanshire and Stirling](#) and one for [Falkirk](#).

Further information is available at www.nhsforthvalley.com

The Forth Valley Area

Forth Valley, in the heart of Scotland, is an exciting place to live and work. Transport links are second to none with excellent motorway and rail links and two international airports nearby, Edinburgh and Glasgow. House hunters in the Forth Valley area are spoiled for choice. On offer are a large array of established and new properties in a variety of attractive settings.

Education in the area is first class, with excellent provision of pre-school, primary and secondary education. State schools in the area have strong reputations and there is also easy access to the area's private schools in Dollar and Crieff. On the further education front, Stirling boasts an excellent University and access to the University cities of Glasgow and Edinburgh is easy. There are also further education Colleges in Falkirk, Stirling and Alloa.

Stirling Area

A wee city with a big history, Stirling punches well above its weight for historic attractions and spectacular scenery, not to mention shopping, places to eat and exciting events. Visit Stirling and take in the magnificent views from [Stirling Castle's](#) hill-top esplanade towards the [National Wallace Monument](#) on the edge of the rolling Ochil Hills before looking north east for the mountain peaks of [Loch Lomond & The Trossachs National Park](#). Find out more about the area on [Your Stirling](#).

Falkirk Area

The Falkirk area is steeped in history with a wealth of attractions, including two of the world's most unique, including, [The Falkirk Wheel](#) and [The Kelpies](#) in [The Helix Park](#). Plus the Falkirk area has a significant section of the [John Muir Way](#). [Falkirk](#) is a historic town centre with a traditional high street and lots of things to be doing with two large shopping centres. Find out more about the area on [Visit Falkirk](#).

Clackmannanshire Area

Clackmannanshire lies between the majestic Ochil Hills and the River Forth and provides the perfect year-round base to explore the stunning countryside, rich history, medieval castles and tower houses. For leisure, there are six golf courses, a luxury spa and a major shopping outlet. Find out more about the area on [Discover Clackmannanshire](#).

Job Description

Job Title: Consultant Urologist
Posts: 1 substantive post
Hours of Work Full time / Part time – up to 40 hours per week

Background

This post has arisen as a replacement for an existing consultant.

Medical Staff

<u>Consultants</u>	<u>Sub-specialty Interest</u>
Mr James Tweedle	General Urology
Mr Gavin Lamb	Renal cancer
Mr Craig McIlhenny	Stone surgery
Mr Joby Taylor	Andrology and female urology

Non Medical Staff

Forth Valley urology has a well developed nurse led service with 6 nurse specialists responsible for nurse specialist clinics including flexible cystoscopy, prostate assessment clinics, intravesical therapies, result clinics, prostate cancer clinics and urodynamics.

Training and Education

NHS Forth Valley places a high priority on training and development across all staff groups and strongly supports continuing medical education. There is a purpose built education service with a library, lecture theatre and meeting rooms with PACS and video-conferencing facilities.

Teaching, Research and Audit

Research currently mainly takes the form of enrolling patients into national trials and there is research and development offices willing to provide assistance should you wish to develop interests further.

Audit is encouraged and again support is provided in this area submitting audit forms are usually done via the BAUS web site.

Equipment

The Forth Valley Royal Hospital is equipped with fully digital clinical systems such as PACS and electronic prescribing. The urology department is well equipped with recent replacement of all rigid cystoscopic equipment, digital flexible cystoscopy, 100W holium laser, flexible ureteroscopes and good access to low dose CT KUB. The team also performs HoLEP surgery and upper tract laparoscopic surgery.

Responsibilities

- As agreed with the Director of Acute Services and Deputy Medical Director to provide with Consultant colleagues an area wide service in Urology with responsibility for the prevention, diagnosis and management of illness, and for the proper functioning of the service;
- Out-of-hours responsibilities for Forth Valley Royal Hospital shared with the other Consultants as part of a Consultant team;
- To provide cover for Consultant colleagues during annual and study leave or at such other times as agreed with the Director of Acute Services and Deputy Medical Director;
- To offer professional supervision, training and appraisal of junior medical, nursing and technical staff as appropriate to enhance role extension and job skills within the orthopaedic service in order to improve the service provided to patients;
- To motivate staff within the service, through leading by example, and fostering good working relationships at all levels in line with the principles of the local Partnership Agreements;
- To contribute to developments and initiatives within the organisation as appropriate and as requested;
- To undertake teaching, accreditation and examination duties, and contribute to postgraduate and continuing medical education activity across the area service;
- To agree and implement an annual medical audit and clinical governance programme with the Deputy Medical Director in line with the Board's Clinical Effectiveness Strategy;
- To support the Urology Department's Clinical Governance agenda;
- To participate fully in Consultant appraisal and personal development planning activities;
- To ensure the efficient and effective use of the organisation's resources;

- To work with Urology colleagues to ensure the effective and efficient development and implementation of support systems.

The requirements of this post will change through time in line with clinical advances and developments in services provided by the NHS in Forth Valley.

Job Plan

The post holder is required to agree a detailed job plan which will be reviewed at least annually. Efforts will be made to complete job planning prior to the date of commencement in post, or, if this is not possible, as soon as possible following this date.

NHS Forth Valley consultant posts are initially for 10 PAs. We are keen that SPA-related activity over and above the 1 PA of SPA for individual requirements (CPD, audit, clinical governance, appraisal, revalidation, job planning, internal routine communication and management meetings) is offered to new consultants. Other roles in this department that have an SPA allocation are:

- Peer appraisal
- Educational supervision of trainees
- Service development
- Departmental links to other departments
- Committee representation
- Research

Subject to completion of job planning, the proposed weekly timetable is as follows:

A normal working week will consist of

- 2 sessions of inpatient operating
- 2 sessions of outpatient clinics
- 1 session of OPD procedures
- 1 session admin / unit meeting
- 2 sessions for on call (on call 1 in 5 rota)
- 2 SPA

Contractual Details

Contracted activities for this appointment will be defined and agreed with the post holder and the Director of Acute Services.

The post holder will be professionally responsible to the Deputy Medical Director and managerially responsible to the Director of Acute Services.

The Consultants in the department will agree arrangements for cover of Urology duties.

This Consultant post is available on a full-time basis and part time basis but the Board welcomes applications from individuals who are unable to undertake a full time commitment and who may wish to work on either a part-time or job share basis.

The terms and conditions of service applicable to this appointment are the Consultant grade terms and conditions of service as amended from time to time.

NHS Forth Valley requires each Consultant to agree with the Director of Acute Services and Associate Medical Director, a job plan of fixed and other commitments, which will be reviewed on an annual basis and revised as necessary to meet the requirements of the local and national service issues.

Consultants will be required to participate in an annual appraisal.

The post holder will normally be expected to reside within 30 minutes travelling distance of Forth Valley Royal hospital. If NHS Forth Valley Health Board considers that there is a requirement for the post holder to relocate his or her home in order to take up the responsibilities of the post, relocation expenses will be available in accordance with the Board's Relocation Policy. Support to the level of 15% of starting salary up to a maximum of £10,000 may be available, subject to the provisions of the policy.

Formal appointment to this post will be conditional upon satisfactory completion of all pre-employment checks, including satisfactory medical screening.

NHS Forth Valley does not negotiate salary placements. On commencement of employment, salary will be determined in accordance with Section 5 of the terms and conditions of service.

This appointment will be superannuable under the NHS Superannuation Scheme, which is contracted out of the State Earnings Related Pension Scheme (SERPS). New employees will automatically be enrolled in the scheme unless they opt out. For further information, please contact the Scottish Public Pensions Agency (SPPA) on 01896 893100 or visit www.sppa.gov.uk

The employment is subject to three calendar months notice on either side.

The successful candidate will be expected to be registered for CPD with the Royal College of Surgeons and to fulfil requirements for annual certification and for appropriate revalidation.

Annual leave entitlement is six weeks per year (pro rata for part time post holders), with additional statutory holiday entitlement as agreed by the Local Negotiating Committee and published annually.

General Employment Information

Equality in Employment

NHS Forth Valley fully supports the principle of equality in employment and opposes all forms of unlawful and / or unfair discrimination which cannot be shown to be justified. NHS Forth Valley is committed to ensuring equality of treatment for both present and potential employees.

Human Resources Policies and Services

NHS Forth Valley is the largest employer in Forth Valley, and is committed to ensuring its employment and Human Resources policies and procedures reflect best practice. As a progressive employer, NHS Forth Valley is committed to supporting and developing all employees.

The Medical Workforce Team

In recognising the needs of services, operational requirements and medical staff, the operational Medical Workforce team provides a range of services for all grades of medical and dental staff. For assistance or information, please contact:

Jacqui Crilley	Medical Workforce Manager	01324 618334 jacqui.crilley@nhs.net
Lynsey Doherty	Deputy Medical Workforce Manager	01324 618330 lynsey.doherty@nhs.net
Laura Bayley	Medical Workforce Adviser (Contracts)	01324 618332 laura.bayley@nhs.net
Elsbeth Gillespie	Medical Workforce Adviser (Contracts)	01324 618329 elsbeth.gillespie@nhs.net
Hunter Rice	Medical Workforce Adviser	01324 618328 hunterrice@nhs.net

Pre-Employment Screening

Criminal Convictions - Protecting Vulnerable Groups (PVG) Scheme

The Protecting Vulnerable Groups (PVG) scheme has replaced the previous disclosure arrangements for people who work with vulnerable groups. The duties of this post require the post holder to undertake regulated work with children and young people (individuals aged under 18 years) and / or protected adults (individuals aged 16 or over who is provided with (and thus receives) a type of care, support or welfare service).

The post holder will be required to be a member of the PVG Scheme and to consent to NHS Forth Valley obtaining a Scheme Record or Scheme Record Update, as appropriate. Any failure to disclose convictions could result in the withdrawal of an offer of employment.

Any applicant wishing to discuss any existing criminal convictions and how these may impact upon an application for employment should contact the Medical Workforce Manager in the first instance.

Occupational Health Screening

This post involves the performance of exposure prone procedures and therefore the successful applicant will be required to produce evidence of their Hepatitis B and C Immunity Status prior to appointment and to undergo satisfactory health screening. Any offer of employment will be subject to satisfactory Occupational Health assessment.

Confidentiality

During the course of their employment with NHS Forth Valley, employees may have access to information about staff or patients or other aspects of NHS Forth Valley's activities, about which they have a duty to maintain confidentiality at all times. In common with all other staff, the post holder will have, in addition, a responsibility to ensure that information relating to his or her work and the operation of the Forth Valley Acute Services in general is kept and maintained securely in accordance with the requirements of the Data Protection Act (1998), the Board's policies and good practice. In particular, the disclosure of commercial or other confidential information which may affect the Board's business interests or endanger the survival of any of its services will be regarded as a fundamental breach of the mutual confidence which must exist between the employer and the employee.

Infection Control and Hand Washing Policy

NHS Forth Valley is committed to providing as clean and safe environment as possible for staff, patients and visitors. The post holder will be required to comply with the Infection Control and Hand Washing Policies.

Health & Safety at Work

All employees have a responsibility for their own health & safety and the health & safety of others who may be affected by what they do. Employees also have a duty to co-operate with their employer by following NHS Forth Valley policies and procedures and safe systems of work; by using equipment safely and by bringing any shortcomings in health and safety arrangements to the attention of their employer. Where something is provided in the interests of health & safety employees must not interfere or misuse it. All employees have a legal

responsibility to report any shortcomings in terms of this in their area. Managers and supervisors have a responsibility for monitoring health & safety arrangements and ensuring staff are following policies and procedures and safe systems of work.

Partnership Agreement

NHS Forth Valley is committed to partnership working. All employees are required to contribute to the development of partnership working by:

- supporting NHS Forth Valley in delivering its goals and objectives;
- supporting continuous improvement in individual performance and the performance of the relevant team / department, directorate and NHS Forth Valley;
- attending training, development and other activities aimed at improving individual skills for the benefit of the organisation and patient care.
