

NHS Lothian University Hospitals Division

**Department of Pharmacy
Royal Infirmary of Edinburgh**

**Pharmacy Support Worker – Higher Level (Band 3)
2 posts – 37.5hrs per week
Salary £19,945 - £21,947**

Looking for a new challenge? Would you like to join the pharmacy team of one of the largest healthcare providers in the UK? You'll work closely a team who are committed to making a difference. We are looking for enthusiastic motivated individuals to work as Pharmacy Support Worker. These are permanent positions within the busy Distribution section of the Pharmacy Department at the Royal infirmary of Edinburgh

Duties include medicine receipt and delivery mark-up, stock control, assembly of stock orders for wards/departments and administration duties.

Basic computing skills are essential as there will be an administrative component to this work with tasks such as recording of workload statistics, checking Microsoft outlook emails, scanning, photocopying and filing.

Previous pharmacy experience is advantageous, although not essential, as training will be provided.
