Circumstances of Job	May occasionally be required to work at any of NHS Lothian's sites	

Section 2: Introduction to Appointment

Job Title: Clinical fellow in Hepatology and Liver Transplantation

Department: Scottish Liver Transplant Unit

Base: Royal Infirmary of Edinburgh

Post Summary:

This post offers the opportunity to spend 6 months in the Scottish Liver Transplant Unit and Liver unit at the Royal Infirmary of Edinburgh.

It would be most suitable for a specialty registrar level doctor with previous experience of hepatology and/or liver transplantation.

The post has been created to support the increasing activity of the liver transplant unit both for in and outpatients and also to support the GI registrar specialist out of hour's rota.

The post will involve both inpatient and outpatient care as well as specialist clinics and endoscopy training appropriate to stage of training (and could include ERCP and/or EUS if appropriate).

The on call rota is on a 1 in 10 basis which attracts a 1A banding supplement (This post does not have educational approval for training).

Section 3: Departmental and Directorate Information

The Scottish Liver Transplant Unit performs approximately 100 liver transplants per year. It also admits around 50 patients per year with acute liver failure from all over Scotland. It is the only transplant unit in Scotland. We do however have excellent links with our referring hospitals from around Scotland and perform outreach transplant clinics in 8 different hospitals. The unit is an excellent example of multidisciplinary team working with there being a consultant of the week from Hepatology, transplant surgery and transplant anaesthetics. Between 3 and 6 patients are assessed for transplant per week.

There is a 20 bedded transplant ward (which also incorporates renal and pancreatic transplant) as well as a purpose built transplant and renal high dependency unit

The GI/Liver ward known as ward 205 has 30 beds with 15-20 liver patients and 5-15 GI beds. There are two individual teams each week serving the liver and luminal patients separately. Each team has a consultant of the week, a registrar, a core medical trainee and a foundation doctor.

Endoscopy- There are training lists in all modalities of endoscopy including upper-both diagnostic and therapeutic, colonoscopy, endoscopic ultrasound and ERCP (5 lists per week). Endoscopy lists would be tailored to the Clinical fellow stage of training and training needs

There is a full 24 hour, 7 day interventional radiology service available-including TIPSS, mesenteric embolisation, transjugular liver biopsy etc. We have close links with the upper GI

surgery and hepatobiliary surgery services. We also have regular input to the twice weekly HPB MDT meetings.

Weekly clinical meetings include

Monday-liver pathology
Tuesday -Unit meeting including M and M
Wednesday –Radiology meeting
Thursday -Journal club
Friday- transplant assessment meeting

Section 4: Main Duties and Responsibilities

Clinical Duties

- Day to day care of patients in SLTU (Ward 206T) as well as patients in Liver Transplant High Dependency Unit and care of the liver transplant patients in the Intensive care unit.
- Day to day care of patients in ward 205-GI and liver ward
- Liver transplant clinics
- General hepatology clinics
- Assessing 3-6 patients for liver transplant per week
- Presenting the assessment patients at the weekly departmental transplant assessment meeting
- Emergency endoscopies as required.
- Participation in academic, clinical and audit meetings
- There is an expectation that the fellow would play a major role in recording and documenting unit M and M on a weekly basis

Out of Hours Commitments

We provide a 24 hour 7 day a week speciality out of hours rota which you would contribute to on a 1 in 10 basis. The majority of out of hours work is related to acute GI bleeding, acute liver failure referrals and advice on complex hepatology patients both within Edinburgh and throughout Scotland.

There is no commitment to General Medicine or HAN during this post.

The holder of this post will provide mutual cover as required for the annual and study leave of colleagues. He/she will be prepared to perform duties in the occasional emergencies and unforeseen circumstances without additional remuneration but may be granted time off in lieu at the discretion of the employing authority. Commitments arising in such circumstances are however, exceptional and practitioners should not be required to undertake work of this kind for prolonged periods or on a regular basis.

Research Comprehensive research facilities are available within the University Liver and Gastroenterology Department. The clinical fellow may be able to pursue research work appropriate to his or her career intentions. The new Trust Clinical Research Facilities have improved clinical research opportunities.

Location: It is anticipated the principal base of work will be the Royal Infirmary of Edinburgh

Working hours:

This a fixed-term 6 month post (40 hours per week). There is a 1 in 10 on-call commitment.

The post holder is expected to contribute to the following activities in the unit:

- Ward rounds
- Hepatobiliary clinics and MDTs
- Transplant assessment and follow-up clinics
- Audit and research

Clinical supervision arrangements:

- The post holder will have a designated clinical supervisor
- All clinical activity will be undertaken under the supervision of a transplant hepatologist.
- 6- monthly progress review.
- Academic assessment based on the audit, presentation and publication activity.

Educational training content:

Patient management: Transplant assessment and follow-up clinics, transplant ward rounds. Responsibilities to organise M&M meetings and relevant MDT (HPB and transplantation). Hepatobiliary wards and clinics.

Educational Outcome:

Exposure to liver transplant with consultant support.

Exposure to HPB MDT and HPB wards (in consultation with duty consultant).

Section 5: Contact Information

Informal enquiries and visits are welcome and should initially be made to:

Dr Carol Blair,
Consultant Hepatologist,
Royal Infirmary of Edinburgh
Tel: 0131 242 1719.
Email: carol.blair@nhs.scot

Or
Dr Michael Williams
Consultant Hepatologist

Section 6: Working for NHS Lothian

Working in Edinburgh and the Lothians

Who are we?

NHS Lothian is an integrated teaching NHS Board in Scotland providing primary, community, mental health and hospital services. Calum Campbell is the Chief Executive, John Connaghan as Chair and Tracey Gillies is the Executive Medical Director.

NHS Lothian provides services for the second largest residential population in Scotland – circa 850,000 people. We employ approximately 26,000 staff and are committed to improving all patient care and services and engaging staff in service planning and modernisation.

Over the next year across Scotland there will be significant changes in the way health and social care services are provided. In April 2015, integration came into effect in local areas led by four Health and Social Care Partnerships in East Lothian, Edinburgh, Midlothian and West Lothian. Working together will help us provide even better services for our communities and, where appropriate, people will receive high quality care closer to home. There is work underway in relation to the operational and governance capacity required, ensuring that planning for unscheduled and scheduled care is done in tandem between the four Integrated Joint Boards and the acute service.

Further information about Edinburgh and NHS Lothian can be found at <http://www.nhslothian.scot.nhs.uk/OurOrganisation/Pages/default.aspx>.

Location

Edinburgh and the Lothians are on the eastern side of Scotland's central belt in the heart of the country. Four main areas make up Edinburgh and the Lothians – Edinburgh, East Lothian, Mid Lothian and West Lothian.

Edinburgh and the Lothians are a place of exceptional beauty and contrast, from Edinburgh's historic skyline to the scenic countryside and coastline that surround it. Edinburgh is famous for its castle, military tattoo, fringe and international festival.

Edinburgh and the Lothians are home to top-ranking state and private schools and world class universities and colleges. Edinburgh offers a rich diversity of parks and gardens to spend time relaxing with friends and family. Whether you want to buy or rent Lothian also offers a diversity of accommodation ranging from city centre based flats, waterfront living, Victorian or Georgian villas to more rural farm houses or coastal homes.

Local and wider transport networks are excellent. Glasgow is less than 50 minutes away by train. The Scottish Highlands are accessible in a few hours offering opportunities for skiing and walking. National and international transport links make it easy to keep in touch with friends and family via Edinburgh Airport which offers a variety of international flight opportunities.

If you are thinking about joining us from overseas further information can be found at www.talentscotland.com. For a comprehensive list of services to help moving to the City of Edinburgh, please visit the City of Edinburgh Council Website at: www.edinburgh.gov.uk.

What we can offer you

<http://careers.nhslothian.scot.nhs.uk>

Working with NHS Lothian offers a variety of opportunities and benefits:

- Access to the NHS pension scheme
- Assistance relocating to Edinburgh
- NHS Lothian is an equal opportunities employer and promotes work-life balance and family-friendly policies
- A beautiful setting to live and work and to take time out after a busy day or week
- Access to a transport network offering easy travel links to the rest of the UK and Europe, as well as international options

Teaching and Training Opportunities

NHS Lothian has one of the largest and some of the most successful teaching hospitals in Scotland. We have a growing national and international reputation for medical teaching and research and are recognised as a centre of excellence.

We successfully train medics, nurses and other healthcare professionals from all over the UK and the world, many of whom choose to remain in employment with NHS Lothian and continue to contribute to the development of the organisation, promoting new techniques and going on to train the doctors, surgeons and nurses of tomorrow.

NHS Education for Scotland (NES) and NHS Lothian recruits junior medical staff both UK and worldwide. We are committed to providing a high standard of medical education and are able to offer training in a variety of specialties at foundation and specialty level, with the majority of training posts in the South East of Scotland rotating through Edinburgh and Lothian hospitals.

Information regarding training with links to the appropriate UK websites can be found at <http://www.scotmt.scot.nhs.uk/> and <http://nes.scot.nhs.uk/>

We enjoy close links with the University of Edinburgh (<http://www.ed.ac.uk/home>) whose Medical School is renowned for preparing its medical students to become world-class doctors. Alongside NHS Lothian, the University of Edinburgh offers state-of-the-art medical teaching facilities at the Chancellors Building, including lecture theatres, seminar rooms, clinical skills training area, computing suites, as well as library facilities at the main university, Western General Hospital and Royal Hospital for Sick Children.

<http://careers.nhslothian.scot.nhs.uk>

Our vision, values and strategic aims

We strive to provide high quality, safe, effective and person centred healthcare, continually improving clinical outcomes for patients who use our services and for our population as a whole.

To achieve this, we are committed to ever-closer integrated working with patients and our other partners in healthcare and to embedding a culture of continuous improvement to ensure that:

- Our staff can contribute fully to achieving the best possible health and healthcare, based on evidence and best practice
- Everything we do maximises efficiency and delivers value for patients and the public

We have identified six strategic aims to ensure we can deliver safe, effective and person-centred health and social care:

1. Prioritise prevention, reduce inequalities and promote longer healthier lives for all
2. Put in place robust systems to deliver the best model of integrated care for our population – across primary, secondary and social care
3. Ensure that care is evidence-based, incorporates best practice and fosters innovation, and achieves seamless and sustainable care pathways for patients
4. Design our healthcare systems to reliably and efficiently deliver the right care at the right time in the most appropriate setting
5. Involve patients and carers as equal partners, enabling individuals to manage their own health and wellbeing and that of their families
6. Use the resources we have – skilled people, technology, buildings and equipment – efficiently and effectively.

The specific areas of focus and actions needed to achieve each of these aims are detailed in “Our Health, our Future: NHS Lothian Strategic Clinical Framework 2013 – 2020,” consultation document which you will find at

www.nhslothian.scot.nhs.uk/OurOrganisation/KeyDocuments.

<http://careers.nhslothian.scot.nhs.uk>

Our Health, Our Care, Our Future

NHS Lothian works to help people live healthier, longer lives – no matter who they are or where in the region they live. Much progress has been made, but significant challenges and opportunities lie ahead. NHS Lothian draft strategic plan - Our Health, Our Care, Our Future – sets out what we propose to do over the coming decade to address these challenges and continue to provide a high quality, sustainable healthcare system for the people of Lothian.

In developing the strategic plan we have:

- asked staff and patients what and how things need to change to deliver our aims
- brought together local plans into an integrated whole
- identified opportunities to make better use of existing resources and facilities
- prioritised areas that will make most difference to patients

The plan outlines a range of proposals, which will allow us to:

- improve the quality of care
- improve the health of the population
- provide better value and financial sustainability

Over the coming months we will discuss the need for change and the proposals set out in the plan with staff, patients, communities and other stakeholders. A summary of the plan can be found at

<http://www.nhslothian.scot.nhs.uk/OurOrganisation/OurHealthOurCareOurFuture/Documents/NHSL%20Strategy%20Summary%20final.pdf>

NHS Lothian's Clinical Quality Approach – Quality Driving Improvement

This is a new way of approaching quality in NHS Lothian. With this approach to service improvement we aim to deliver 'high quality, safe and person-centered care at the most affordable cost'. This acknowledges that every £1million of waste, unnecessary or inappropriate costs in one area of our system, denies us the opportunity to invest that £1million in another area of our system.

In all highly reliable healthcare organisations, it is clear that senior leadership commitment to the importance of the work, the introduction of consistent improvement methodology, the use of good quality data and building improvement capability within the workforce, are key to the successful delivery of improvement strategies.

To allow NHS Lothian to meet the needs of our population today and in the future, we need to build on the good work that is already being done to redesign services and create a whole organisation approach to quality improvement.

Our Values and ways of working

NHS Lothian is determined to improve the way their staff work so they have developed a set of common values and ways of working which they now need to turn into everyday reality - to the benefit of everyone working in the organisation and, most importantly, to the benefit of their patients.

<http://careers.nhslothian.scot.nhs.uk>

NHS Lothian – Our Values into Action:

Care and Compassion

- We will demonstrate our compassion and caring through our actions and words
- We will take time to ensure each person feels listened to, secure, understood and is treated compassionately
- We will be visible, approachable and contribute to creating a calm and friendly atmosphere
- We will provide a safe and caring setting for patients and staff, and an efficient, effective and seamless care experience
- We will meet people's needs for information and involvement in all care, treatment and support decisions.

Dignity and Respect

- We will be polite and courteous in our communications and actions
- We will demonstrate respect for dignity, choice, privacy and confidentiality
- We will recognise and value uniqueness and diversity
- We will be sincere, honest and constructive in giving, and open to receiving, feedback
- We will maintain a professional attitude and appearance.

Quality

- We will demonstrate a commitment to doing our best
- We will encourage and explore ideas for improvement and innovation
- We will seek out opportunities to enhance our skills and expertise
- We will work together to achieve high quality services
- We will use our knowledge and enthusiasm to implement positive change and overcome challenges.

Teamwork

- We will understand and value each other's role and contribution
- We will be fair, thoughtful, welcoming and kind to colleagues
- We will offer support, advice and encouragement to others
- We will maximise each other's potential and contribution through shared learning and development
- We will recognise, share and celebrate our successes, big and small.

Openness, Honesty and Responsibility

- We will build trust by displaying transparency and doing what we say we will do
- We will commit to doing what is right – even when challenged
- We will welcome feedback as a means of informing improvements
- We will use our resources and each other's time efficiently and wisely
- We will maintain and enhance public confidence in our service
- We will be a positive role model.

Throughout the recruitment process candidates will need to demonstrate they meet all of Our Values. Further information on our values into action can be found at <http://www.nhslothian.scot.nhs.uk/OurOrganisation/Pages/OurValues.aspx>

Section 7: Terms and Conditions of Employment

For an overview of the terms and conditions visit: <http://www.msg.scot.nhs.uk/pay/medical>.

TYPE OF CONTRACT	Locum Appointment for Service (LAS) Fixed Term – 1 year
GRADE AND SALARY	£45,504 - £71,550 plus 1A banding supplement
HOURS OF WORK	40 Hours per week
SUPERANNUATION	New entrants to NHS Lothian who are aged sixteen but under seventy five will be enrolled automatically into membership of the NHS Pension Scheme. Should you choose to "opt out" arrangements can be made to do this via: www.sppa.gov.uk
REMOVAL EXPENSES	Assistance with removal and associated expenses may be awarded
EXPENSES OF CANDIDATES FOR APPOINTMENT	NHS candidates who are requested to attend an interview will be given assistance with appropriate travelling expenses. Reimbursement shall not normally be made to employees who withdraw their application, refuse an offer of appointment. Non NHS employees are not normally awarded travel expenses.
TOBACCO POLICY	NHS Lothian operates a No Smoking Policy in all premises and grounds.
DISCLOSURE SCOTLAND	This post is considered to be in the category of "Regulated Work" and therefore requires a Disclosure Scotland Protection of Vulnerable Groups Scheme (PVG) Membership.
CONFIRMATION OF ELIGIBILITY TO WORK IN THE UK	NHS Lothian has a legal obligation to ensure that it's employees, both EEA and non EEA nationals, are legally entitled to work in the United Kingdom. Before any person can commence employment within NHS Lothian they will need to provide documentation to prove that they are eligible to work in the UK. Non EEA nationals will be required to show evidence that either Entry Clearance or Leave to Remain in the UK has been granted for the work which they are applying to do. Where an individual is subject to immigration control under no circumstances will they be allowed to commence until right to work in the UK has been verified.
REHABILITATION OF OFFENDERS	The rehabilitation of Offenders act 1974 allows people who have been convicted of certain criminal offences to regard their convictions as "spent" after the lapse of a period of years.

<http://careers.nhslothian.scot.nhs.uk>

ACT 1974	However, due to the nature of work for which you are applying this post is exempt from the provisions of Section 4 of the Rehabilitation of Offenders Act 1974 by virtue of the Rehabilitation of Offenders Act 1974 (Exceptions Orders 1975 and 1986). Therefore, applicants are required to disclose information about convictions which for other purposes are “spent” under the provision of the act in the event of employment, failure to disclose such convictions could result in dismissal or disciplinary action by NHS Lothian. Any information given will be completely confidential.
MEDICAL NEGLIGENCE	In terms of NHS Circular 1989 (PCS) 32 dealing with Medical Negligence the Health Board indemnity will cover only Health Board responsibilities. Paragraph 63 of the General Medical Council's Good Medical Practice requires you to have adequate insurance or indemnity cover. You may wish to consider taking out additional medical indemnity e.g. with a Medical Defence Organisation to ensure that you have indemnity for the whole of your practice.
NOTICE	Employment is subject to one month notice on either side, subject to appeal against dismissal.
PRINCIPAL BASE OF WORK	You may be required to work at any of NHS Lothian sites as part of your role.
SOCIAL MEDIA POLICY	You are required to adhere to NHS Lothian’s Social Media Policy, which highlights the importance of confidentiality, professionalism and acceptable behaviours when using social media. It sets out the organisation’s expectations to safeguard staff in their use of social media.

Section 8: General Information for Candidates

Data Protection Legislation

During the course of our activities we will collect, store and process personal information about our prospective, current and former staff. The law determines how organisations can use personal information. For further information on the type of data that is handled, what the purpose is of processing the data and where and why we share data, please see the NHS Lothian Staff Privacy Notice, found [here on the NHS Lothian website](#).

For the purposes of this privacy notice, 'staff' includes applicants, employees, workers (including agency, casual and contracted staff), volunteers, trainees and those carrying out work experience.

Counter Fraud

NHS Lothian is under a duty to protect the public funds it administers, and to this end will use the information you have provided on your application form for the prevention and detection of fraud. It will also share this information with other bodies responsible for auditing or administering public funds for these purposes. More detail on this responsibility is on NHS Lothian intranet (Counter-Fraud and Theft page) and further information is available at <http://www.audit-scotland.gov.uk/work/nfi.php>.

References

All jobs are only offered following receipt of three satisfactory written references. At least one reference must be from your current/most recent employer or your course tutor if you are currently a student. If you have not been employed or have been out of employment for a considerable period of time, you may give the name of someone who knows you well enough to confirm information given and to comment on your ability to do the job.

Disclosure Scotland

Where a Disclosure or Protection of Vulnerable Groups Check is deemed necessary for a post, the successful candidate will be required to undergo an appropriate check. Further details on the Recruitment of Ex-Offenders are available from the recruitment centre.

Work Visa

If you require a Work Visa, please seek further guidance on current immigration rules, which can be found on the Home Office website www.ind.homeoffice.gov.uk

Job Interview Guarantee Scheme

As a Disability Symbol user, we recognise the contribution that all individuals can make to the organisation regardless of their abilities. As part of our ongoing commitment to extending employment opportunities, all applicants who are disabled and who meet the minimum criteria expressed in the job description will be guaranteed an interview.

Overseas Registration and Qualifications

NHS Lothian will check you have the necessary professional registration and qualifications for this role. You will need to provide an official translation of qualifications notarized by a solicitor of your overseas qualifications to be checked by the recruiting panel. Please ensure that this is available before applying for the post.

Workforce Equality Monitoring

NHS Lothian is committed to supporting and promoting dignity at work by creating an inclusive working environment. We believe that all staff should be able to fulfill their potential in a workplace free from discrimination and harassment where diverse skills, perspectives and backgrounds are valued.

In order to measure and monitor our performance as an equal opportunities employer, it is important that we collect, store and analyse data about staff. Personal, confidential information will be collected and used to help us to understand the make-up of our workforce that will enable us to make comparisons locally, regionally and nationally.

Equal Opportunities Policy Statement

NHS Lothian considers that it has an important role to play as a major employer and provider of services in Edinburgh and the Lothians and accepts its obligations both legal and moral by stating commitment to the promotion of equal opportunities and elimination of discrimination.

The objectives of its policy are that no person or employee receives less favourable treatment on the grounds of sex, disability, marital status, age, race (including colour, nationality, ethnic or national origin), creed, sexuality, responsibility for dependants, political party or trade union membership or activity, HIV/AIDS status or is disadvantaged by conditions or requirements which cannot be shown to be justifiable.

Our Equal Opportunities in Employment policy can be viewed at:

www.nhslothian.scot.nhs.uk/WorkingWithUs/Employment/Pages/EqualOpportunities.aspx

NHS Scotland Application Process

- The purpose of an application form is to help evidence that the applicant has all the requirements applicable to carry out the job applied for.
- It is essential to read both the job description and the person specification to gain a full understanding of what the job entails and the minimum criteria required.
- Please note for equal opportunity purposes NHS Lothian do not accept CV's as a form of application.
- Your personal information will not be sent with the application for shortlisting. The application form will be identified by the candidate number only to ensure that no applicant will be unfairly discriminated against.
- Please complete all sections of the application form. Those sections that are not relevant please indicate 'not applicable', do not leave blank.
- Please visit <https://apply.jobs.scot.nhs.uk> for further details on how to apply.

<http://careers.nhslothian.scot.nhs.uk>
