ABOUT THE POST

Applications are invited for a Senior Clinical Fellow (Locum Appointment for Training) in General Medicine and Clinical Pharmacology at Glasgow Royal Infirmary, position available immediately until 4th August 2026.

This post will offer excellent training opportunities within the Department of Diabetes, Endocrinology and Clinical Pharmacology which has an excellent reputation for post graduate training whilst gaining invaluable experience in general medicine through participation on the medical registrar on call rota. Applicants must have full MRCP(UK).

THE HOSPITALS AND THE DEPARTMENT/SPECIALTY – FACILITIES, RESOURCES AND ACTIVITY & STAFFING STRUCTURE

All major specialties are represented within Glasgow Royal Infirmary currently there are more than 50 Consultant Physicians with special interests in Acute Medicine, Cardiology, Clinical Pharmacology & Therapeutics, Diabetes & Endocrinology, Gastroenterology, Respiratory Medicine, Rheumatology and Elderly Care. The Department of Diabetes, Endocrinology and Clinical Pharmacology provides excellent facilities and resources to pursue training in all aspects of Clinical Pharmacology but with an emphasis of managing cardiovascular risk. There is ample opportunity to get involved in research and quality improvement activity.

JOB DESCRIPTION, JOB PLAN & PERSON SPECIFICATION

This post is being advertised as having the potential to be a Locum Appointment for Training as it is filling a short term vacancy in the Clinical Pharmacology Therapeutics training program.

For suitable candidates who want this to count towards training educational approval will be sought from the Postgraduate Dean

MAKING YOUR APPLICATION

Please note

- Take note of the **Closing date** and the **Job reference number** of the vacancy. Please quote the reference number on any correspondence.
- Applications for Medical and Dental posts within NHS Greater Glasgow and Clyde (NHSGGC) will only be accepted via the completion of an **online application form** via our eRecruitment system (JobTrain)

If this is the first time you are applying via JobTrain, you will be asked to create an account. You can do this via an email address or social media account. NHS Scotland does not accept CV's in addition to/instead of a completed application form.

If you already have an existing account, you will have the option to copy a previous application. Please ensure that you go through the application to ensure that the details are up-to-date and complete.

- Please make sure that the **email address** submitted is correct as this will be our primary method of contact during each stage of the recruitment process.
- You will **time-out** after 30 minutes of inactivity. Please regularly save your application.
- You need to provide **at least two (2) referees, one of which must be your current employer/line manager**. It is Board policy that no person can act as a member of an Advisory Appointments Committee and be a referee for a candidate for that post. You should therefore check with your proposed referees whether there is likely to be any difficulty in this respect for we may otherwise have to invite you to submit another name or names
- At the Shortlisting stage, all application forms are **anonymised** and only the Education, Employment and Assessment/Supporting Statement Information sections are accessible to those involved in the recruitment process
- **Interviews** are conducted either in-person or via MS Teams video call. If the interview date is not noted on the advert, you will be contacted with the details as soon as they are available to allow you to book. You will receive an email with the link to join if your interview will be a video call.

Job Interview Guarantee Scheme

NHSGGC recognises the contribution all individuals can make to the organisation regardless of their abilities. As part of our ongoing commitment to extending employment opportunities, all applicants who are disabled and who meet all the minimum criteria expressed in the job description will be guaranteed an interview. All information will be treated as confidential. We only asks for relevant information with regards to your disability to ensure that we can assist you if you are called for interview.

- **If you delete your application, you will not be able to re-apply.**
- **Professional Regulatory Bodies Membership (GMC/GDC)** details must be provided on the application form
- Before submitting your application please make sure you read **the Declaration section**. This section will highlight any parts of the form which haven't been completed and it also covers the following important information:
 - Criminal Convictions Declaration - NHS Scotland is exempt from the 1974 Rehabilitation of Offenders Act (Exclusions & Exceptions) (Scotland) Order 2003.
 - Accuracy of Information - False or misleading information can cause disqualification of the application and dismissal from employment if appointed to the post.
 - General Data Protection Regulation (GDPR) and Data Protection Act 2018 - Your data will be stored by Jobtrain and will be used only by NHSGGC authorised staff for the purpose of processing your job application, making recruitment decisions and for statistical and audit purposes. It will be retained, archived, and deleted in line with the NHS Scotland retention policy and will not be passed to any third party organisations without your permission
- **Please remember to review your application prior to submission as once you submit, you will not be able to edit any details or make changes.**

LIVING AND WORKING IN THE GREATER GLASGOW AND CLYDE

We understand that choosing the right place to live is just as important as choosing the right job. Many people who have relocated to Scotland have been attracted by the opportunity to enhance their quality of life.

Scotland's people are well known for being warm, welcome and friendly. Scotland is a home to over five million people, and it is estimated that for every person living in Scotland, another five people living across the world have Scottish ancestry. With such wide connections spreading to every corner of the globe, it is no wonder that overseas visitors are made to feel like they are returning home!

As a place to live, the Greater Glasgow and Clyde area has many attractions. The West of Scotland combines cosmopolitan charm, lush countryside and soothing seaside. Culturally diverse, architecturally stunning and historically rich, this vibrant region is home to innovation, celebration and the largest city in Scotland – Glasgow. As Scotland's most populous region, the West of Scotland is home to approximately two million people. In addition to the city of Glasgow, East and West Dunbartonshire, Inverclyde, Ayrshire, North and South Lanarkshire, Renfrewshire and East Renfrewshire make up this captivating and eclectic part of the country.

This is a region of striking contrast. Larger areas like Glasgow are within easy reach of picturesque towns, villages and some of Scotland's most scenic beaches, captivating wildlife and tranquil countryside.

Glasgow

Multicultural, magnificent and brimming with personality, Scotland's largest city is home to nearly 600,000 people. Discover rich history, stunning architecture and the best shopping in the UK outside London. Glasgow is one of the highest ranking cities in the UK for quality of life. (source: Mercer survey, 2012).

This aptly-named 'Dear Green Place' blends the best of urban-living with the splendour of lush gardens and parks. Impressively, the city boasts more green space per square mile than any other UK city. With some of the biggest and brightest businesses Scotland has to offer, in addition to enjoying the scenery, you can explore the many great career opportunities the city offers.

Offering the best of both worlds, Glasgow is close to breath taking countryside offering up nearby hill walking, sailing, and cycling. Some of the world's greatest golf courses are all within an hour's drive of the city. And this bustling city's arts and culture, nightlife and food are hard to surpass.

Home to over 133,000 students from around the world, this vibrant city has five world-renowned universities and seven colleges.

Lots to see and do

No matter what your age or interest, the West has something for you. Be dazzled by Charles Rennie Mackintosh's iconic architecture in Glasgow or satisfy your appetite with mouth-watering produce at the farmers' markets in Renfrewshire and Inverclyde. You also have your choice of impressive year-round events and festivals, attractions or some of the best leisure facilities in the country. And as a UNESCO City of Music, Glasgow offers an impressive range of musical delights.

Housing

Whether you are renting or buying, Glasgow offers a superb selection of housing. Here you'll have your choice of apartments on the River Clyde, spacious Victorian flats in the West End and family homes in leafy suburbs conveniently located near to schools.

Getting around

The region's excellent transport links mean you're connected to the rest of the UK - and the world. The M8 motorway connects the West with the rest of Scotland, taking just under an hour to drive between the country's major cities Glasgow and Edinburgh, a well-used commuter's route. The bus is an effortless way to get around because it's inexpensive and widely available across the region – even in remote locations.

Glasgow has the UK's largest suburban rail network outside London. An abundance of stations and travel times makes exploring the region by train an easy option. The rail network links both rural areas and cities with the rest of Scotland and the wider UK. From Ardrossan, Gourock and Wemyss Bay you can also travel by ferry to many of Scotland's islands, or further afield from one of the cruise ships that dock at Greenock harbour.

Glasgow's two international airports connect the region with the rest of the UK and beyond. There are approximately 200 flights per day (pre pandemic levels) from Glasgow international airport alone, ready to fly to over 90 destinations like London, Dubai and New York. The best of the city-living, magnificent countryside and an opportunity to work in some of Scotland's most exciting industries means this region is a hugely popular place to live and work.
