Message from Associate Medical Director

Thank you for your interest in our Specialty Doctor in Rehabilitation and Recovery Psychiatry within Mental Health Services at NHS Lanarkshire.

We have excellent opportunities for people to progress further in their career, with friendly and supportive colleagues in a multi-disciplinary team.

We are looking for inspiring individuals who can take forward service improvements and work well with others. We support flexible working, interest in non-clinical work (such as research and audit); and if you do have any relevant special interests within psychiatry or allied areas of practice, we would definitely want to support this in any potential candidate for interview, if this would help provide better outcomes for people who use our services.

If you think you have got what it takes, I look forward to receiving your application.

If you haven't already done so, you will also want to check out NHS Lanarkshire's website at <https://www.nhslanarkshire.scot.nhs.uk/>

Adam Brodie

Associate Medical Director MHLA & A

NHS Lanarkshire

Selection Process

The Job Pack and Person Specification is designed to inform potential applicants on the essential and desirable experience and personal attributes which are sought in the appointment of Specialty Doctor in Rehabilitation and Recovery Psychiatry

Assessment against this will feature throughout the recruitment and selection process for the appointment.

All applications for the job are made through <https://apply.jobs.scot.nhs.uk/vacancies.aspx>
Guidance notes for the completion of the Medical & Dental Application Form are available on the advert. Please note CV's will not be accepted.

Please follow the link below should you wish any further information on NHS Lanarkshire recruitment <https://www.nhslanarkshire.scot.nhs.uk/recruitment/>

NHS Lanarkshire are happy to consider requests for this publication to be in another accessible format e.g. large print, braille. Please contact us via either of the undernoted methods, clearly stating which format is required:

For any application queries, please email medical.dentalconsultant@lanarkshire.scot.nhs.uk

Should you require further information regarding this post you can contact the HR Medical & Dental team or make informal enquiries with the department using the contact details below:

Additional Arrangements

Informal enquiries regarding this post will be welcomed by:

- Dr Adam Brodie, Associate Medical Director on 01698 753820
- Ms Tracey Coyle, General Manager on 01698 366760
- Dr Shoshana Cross, Consultant Psychiatrist on 01698 753666

Supporting your Development

Specialty Doctors are key members of our senior medical/dental workforce and provide a wide range of experience and skills. NHS Lanarkshire is committed to supporting your continued professional development as a Specialty Doctor. We strive to support a culture of development that embodies the aims of the SAS Charter and the NES SAS Development Programme.

Further information regarding professional development as a Specialty Doctor or Dentist in Scotland is available here : <https://www.scotlanddeanery.nhs.scot/your-development/specialist-and-associate-specialist-doctors-and-dentists/>

An overview of the NES SAS Development Programme is available here: [SAS Development Programme Brochure](#)

The Post

This post is for a specialty doctor. The post has both a ward based and community component, covering South Lanarkshire. You will be based at Glencairn, our rehabilitation ward in Coathill Hospital. The unit is purpose built with 12 en-suite individual rooms and cares for men and women with complex rehabilitation needs. All of the patients have severe mental illness and many are subject to the Mental Health Act and Adults with Incapacity Act. You will be responsible for the day to day psychiatric management of inpatients from South Lanarkshire. There are eight slow-stream rehabilitation beds at Cleland Hospital, where you will also be expected to provide psychiatric input. The community part of the post will involve seeing patients in a variety of settings (in person and virtually), working with the Community Rehab team as well as local authority colleagues and third sector providers to deliver high quality services.

The precise details of the job plan will be dependent on the successful candidate's subspecialty training and interests.

The job is offered as a full-time post on a 10 PA basis but applications will be considered from those wishing to work less than full-time.

All new Specialty Doctor are initially offered 1 PA for SPA duties.

NHS Lanarkshire is supportive of applications from individuals with well developed ideas for improving services who are able to demonstrate a commitment to quality improvement, patient safety (including human factors training), Medical Education and Research & Development

General Provisions

You will report to Clinical Director, who will agree your job plan.

Health and Safety

You are required to comply with NHS Lanarkshire Health and Safety Policies.

Resident Medical Staff

You will be responsible for the training and supervision of Resident Doctors who work with you and you will be expected to devote time to this on a regular basis. In addition, you will be expected to ensure that staff have access to advice and counseling. If appropriate, you will be named in the contracts of Doctors in training grades as the person responsible for overseeing their training and as the initial source of advice to such Doctors on their career.

[Resources](#)

The following department resources are available:

Consultants:

Dr Shoshana Cross, Consultant Rehabilitation Psychiatry

Dr Rajitha Jayawardena, Consultant Rehabilitation Psychiatry

Dr David Millar, Specialty Doctor Rehabilitation Psychiatry

Vacancy, Specialty Doctor Rehabilitation Psychiatry

Secretarial Support:

2 WTE Secretaries

Duties & Responsibilities

Main Duties

To provide Specialty Doctor cover to Glencairn Unit, Cleland Hospital, and patients in the community who are under the care of the South Lanarkshire Rehabilitation and Recovery Service. It is expected that you will provide psychiatric input to the ward, support the clozapine clinic, undertake Mental Health Act Work, and link with the unit GP regarding the physical health and monitoring of inpatients. Over time you will build up an appropriate community case load working with the multidisciplinary team to manage the complex needs of patients within the service

Work Programme

As required under Section 3 of the Terms and Conditions of Service, the duties and responsibilities are supported by a job plan and work programme detailed as follows:

Job Planning/Programmed Activities

The job plan will be dependent on the successful candidate's subspecialty training and interests. SPA will be included in the job plan but please refer to the guidance above under the general description of the post.

On taking up post a Job Plan will be agreed between the person appointed and the Clinical Director. This job plan is subject to review at least once a year by the post holder and the Clinical Director as noted in the terms and conditions. The procedures set out in the 'Terms & Conditions of Service' must be followed if it is not possible to agree a job plan, either initially or at an annual review.

The timetable is indicative and subject to negotiation with the Clinical Director.

Fixed Commitments

Days	Hours	Type of Work	Location
Monday	AM	Ward Work	Glencairn unit, Coathill Hospital/Cleland Hospital
	PM	Review of Rehab patients in DGHs or the community	University Hairmyres Hospital/various settings
Tuesday	AM	Clinical team review meeting or clozapine clinic	Glencairn unit, Coathill Hospital
	PM	Inpatient MDT, Glencairn or community review	Glencairn unit, Coathill Hospital/various settings
Wednesday	AM	Team meetings (CRT, referrals, etc)	Glencairn unit, Coathill Hospital
	PM	Cleland patient reviews	Cleland Hospital
Thursday	AM	Local teaching/Appraisal/Audit etc	Various
	PM	Flexible patient reviews, ward work, admin	Glencairn unit, Coathill Hospital
Friday	AM	Flexible patient reviews, ward work admin	Glencairn unit, Coathill Hospital
	PM	Flexible patient reviews, ward work admin	Glencairn unit, Coathill Hospital

In addition, other activities not occurring at fixed times.

This is an illustrative weekly timetable. Certain activities illustrated in this timetable will be open to review within the job planning process.

- Discussing referrals, inpatient and outpatient with colleagues
- Discussing management/investigation of patients with colleagues in other appropriate Clinical Support Services
- Discussing patient management/ reviewing patients with doctors in training and nursing staff outwith formal ward rounds.
- Ward Referrals, Discussing patient management/ reviewing patients with doctors in training and Nursing Staff out with formal ward rounds.
- Expeditious completion of discharges and completion of patient administration duties e.g. verifying letters, signing off results etc.
- Speaking to GP's, outpatients re results.
- Work towards generic and specialty objectives.
- CPD and Appraisal

- Audit

Audit and Research

The successful candidate will be expected to participate in Quality Improvement and audit processes and there is an active clinical audit department available to assist. NHS Lanarkshire is ambitious to build a portfolio of research projects backed by enthusiastic and dynamic individuals. It has an active Research and Development department and would welcome discussion regarding a potential research interest.

Continuing Professional Development

Study leave is available within the terms and conditions of service with the approval of the Clinical Director/Clinical Lead. The appointee will be required to fulfill such demands for continuing professional development as the Royal College of Psychiatrists (or other relevant bodies) may make.

Honorary Academic Status

If involved in undergraduate teaching status can be applied for. Applications can be made via the Hospital Sub-dean and then to the appropriate academic department within the University

Terms & Conditions

a) This appointment is offered on the Terms and Conditions of the Specialty Doctor Contract (2022).

b) Our pension scheme is provided by Scottish Public Pensions Agency, and all benefits are explained on the SPPA website (<http://www.sppa.gov.uk/>). Here you can also access an annual statement showing how much service has built up in your pension. If you wish to opt out or have previous NHS Service, you should refer to the SPPA website for further information about any implications for your pension benefits.

Superannuable pay will include basic salary (up to 10 programmed activities, but not any extra programmed activities about this level), on-call availability supplements, discretionary points, distinction awards, and any other pay or allowances agreed by the Scottish Government, to be superannuable. Superannuable pay will be subject to HMRC legislation.

c) The employment is subject to 3 months' notice on either side subject always to the appeal and other provisions of schedule 2 of the Terms and Conditions of the Specialty Doctor 2022 Contract (NHS Circular PCS (DD) 2022/2)

d) The successful candidate must be contactable throughout any on-call period. NHS Lanarkshire will provide the facility for this.

e) The successful candidate, if not already employed by the NHS Lanarkshire, will be required to complete a medical questionnaire to obtain medical clearance from the Occupational Health Physician.

f) The successful candidate will be required to complete a Disclosure Scotland PVG (Protecting Vulnerable Groups Scheme) form. An e mail link will be sent to the successful candidate for completion. No approach will be made without written permission of the successful applicant who will be asked to sign and complete a disclosure PVG application, giving authorisation for the check to be undertaken. If you are a non EEA National and are currently based out with the UK a Country of Origin check/criminal records certificate will also be required from each country in which you have resided continuously or cumulatively for 12 months or more in the last 10 years.

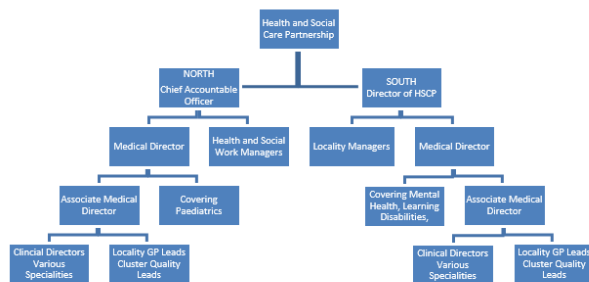

g) NHS Lanarkshire does not negotiate salary placements. On commencement the salary will be in line with Schedule 10 of the Terms and Conditions of the Specialty Doctor Contract (2022). Appointees start on the scale minimum except in the circumstances of paragraphs 6 - 9 of Schedule 10 of the terms and conditions of service.

h) From 1st April 2025, the starting salary for the post is £64,158 per annum (based on 10 Programmed Activities per week). The successful candidate's total salary will be dependent on his/her previous service history. Remuneration for any extra programmed activities will be dependent upon the job plan agreed at the time of appointment.

i) Dependent upon present place of residence, NHS Lanarkshire may require the successful candidate to undertake to remove home to a distance acceptable to NHS Lanarkshire, normally within 10 miles of the base Hospital, in which case removal expenses will be payable in accordance with NHS Lanarkshire Policy. In some cases, however, a residence more than 10 miles distant from the base hospital will be acceptable and in this case removal expenses will be subject to the prior approval of the Associate Medical Director for such a residence. The position will be made clear to the successful candidate on application.

Management Structure Overview (HSCPs)

The supporting operational and clinical management structures are focused on enhancing patient safety, quality improvement and local delivery at hospital level, with visibility of clinical leadership and support for individual professional accountability. Our Medical Managers will provide professional leadership to medical staff, ensuring that they are effectively developed, organised, integrated and managed to support the strategic aims of each Division and meet the needs of the patient

Lanarkshire - The Place

NHS Lanarkshire is the third largest health system in Scotland with around 15,400 staff and a baseline recurring budget of £1.7bn, serving a community of circa 652,000 people through:

- Three acute hospitals - University Hospital Hairmyres, University Hospital Monklands and University Hospital Wishaw
- Around 94 GP Practices
- Spans two local authority areas - North Lanarkshire Council and South Lanarkshire Council with two Integration Joint Boards, North Lanarkshire IJB and South Lanarkshire IJB. NHS Lanarkshire and North and South Lanarkshire Councils formed the North and South Lanarkshire University Health and Social Care Partnerships to develop a wide range of community facing health improvement, health and social care services with locality-based planning and delivery. The Partnerships include a range of community health and social care services, community hospitals (mainly for long term conditions and continuing care for older people), as well as a wide range of services for patients with mental health problems and learning disabilities. Services also include GP Practices providing many primary and community care services throughout Lanarkshire.

<https://www.slhscp.org.uk/>

Innovation & Quality - We will design and drive the transformation of our and services, prioritising safety, quality improvement and innovation so as to deliver effective and affordable care for the benefit of our communities.

Finance & Delivery - We will ensure that we deliver best value for our patients through the effective use of budgets and operating within the funding available to us; and that our governance mechanisms provide robust assurance that we are prioritising our resources effectively and responsibly to secure the most health benefit for our communities.

Corporate Objectives

The Board's Corporate Objectives for 2025/26 have been approved.

Please see link below:

<https://www.nhslanarkshire.scot.nhs.uk/download/corporate-objectives/>

<https://www.nhslanarkshire.scot.nhs.uk/download/2024-may-29-board-papers/>

Our Values

Everyone Matters: 2020 workforce vision published in June 2013 sets out the vision for the workforce and the values that are shared across NHS Scotland.

The Health and Social Care: national workforce strategy published in March 2022 sets out the vision for the health and social care workforce. It supports the tripartite ambition of recovery,

growth and transformation of the workforce and the actions to achieve the vision and ambition.

The Board

Lanarkshire NHS Board (the Board) is a strategic body, accountable to the Scottish Government Health and Social Care Directorate and to Scottish Ministers for the functions and performance of NHS Lanarkshire. The Board consists of the Chair, Non-Executive Directors (who are publicly appointed by the Scottish Ministers), Stakeholder Non- Executive Directors including the Employee Director, Area Clinical Forum Chair, representatives of North and South Lanarkshire Councils and Executive Directors.

The NHS Board's role is to improve the health and wellbeing of the people of Lanarkshire through robust, accountable and corporate governance systems. The Board's role is to set strategic aims, hold the executives to account for the delivery of those aims, determine the level of risk the Board is willing to accept, influence the organisation's culture and engage with stakeholders on the stewardship of public money and the priorities of the Board.

Composition of the Board:

Non-Executive Directors

- Chair
- 11 Non-Executive Lay Members (including 1 Whistleblowing Champion)
- Chair - Area Clinical Forum
- 2 Local Authority Elected Members - 1 from North Lanarkshire Council and 1 from South Lanarkshire Council

Executive Directors:

- Chief Executive
- Director of Public Health and Health Policy
- Executive Director for Monklands replacement & PFI Contracts
- Interim Director of Property and Sustainability
- Executive Medical Director

- Executive Director of Nursing, Midwifery & Allied Health Professions
- Interim Director of Finance

NHS Lanarkshire also has three Deputy Chief Executives with a portfolio of responsibilities in addition to their substantive roles. These are:

Deputy Chief Executive – Finance, Performance and Risk.

Deputy Chief Executive – Strategy, Transformation and Reform. Currently held by the Director of Planning, Property and Performance.

Deputy Chief Executive – Corporate, Governance and Culture. Currently held by the Director of Human Resources.

Our Health Together: Living our best lives in Lanarkshire

Our new healthcare strategy, 'Our Health Together - Living Our Best Lives in Lanarkshire' is a route map that starts us on a journey to deliver positive change. We will work with our staff, communities and partners to explore together how we can reform to deliver sustainable, affordable services that provide person centred high quality care. We have already started this process, and our communities and staff were involved in a far reaching engagement process during 2023 where we sought to understand what matters to people who use our services, or staff and the wider community.

A lot has changed since we published our previous strategy, 'Achieving Excellence,' in 2017. The pandemic and cost of living crisis` impact has been greatest on our most vulnerable groups. To deliver a better patient experience, we must transform our models of care, improve performance and ensure we make best use of resources to achieve best value. This includes

taking action to promote good health. We have identified 4 priority areas of focus - Urgent and Emergency Care, Planned Care (including outpatients and surgery), Mental Health and Primary Care (which includes general practice).

The exciting development to replace the University Hospital Monklands provides opportunities to explore ideas for innovation and service redesign. Adopting new approaches for health care provision across our whole system will deliver a better experience for our patients and service users.

Link to NHS Lanarkshire strategy:

<https://www.nhslanarkshire.scot.nhs.uk/our-health-together/>

Monklands Replacement Project

The Monklands Replacement Project (MRP) is NHS Lanarkshire's exciting and positive vision for University Hospital Monklands and the local and wider community it serves, proposing a major investment in Lanarkshire's hospital estate by rebuilding the hospital on a new site. NHS Lanarkshire has now purchased the 161.5 acre site for the state-of-the-art facility at Wester Moffat, Airdrie.

The existing Monklands Hospital is now more than forty years old and will struggle to adapt to the rapidly changing needs of the future healthcare environment and its associated

infrastructure. This project will deliver a new acute hospital in circa 2031 to meet these challenges.

The new, state-of-the-art University Hospital Monklands will support the required clinical model to meet the objectives set out in NHS Lanarkshire's healthcare strategy, Our Health Together which has the ambition to: shift care away from inpatient treatment to day case, day treatment, outpatient and community care; develop pan-Lanarkshire hospital centres of excellence; and support the healthcare needs of the wider West of Scotland

The key investment objectives for the MRP that were set out in the Initial Agreement and remain central to the project are to:

- Improve person-centred services
- Improve the safety of patient care
- Improve clinical effectiveness and enhancing patient experience and clinical outcomes
- Improve the quality of the physical environment
- Provide flexible and adaptable facilities across the healthcare system

The new hospital will have over 470 beds within a new acute hospital extending over approximately 100,000m². The clinical requirements are based on a requirement for 100% single rooms and include a range of departments necessary for a major acute hospital such as theatres, emergency department, endoscopy, infectious diseases, critical care, outpatients, renal, radiotherapy, and imaging. At a cost in the 100's of millions of pounds, the new Monklands hospital will be the largest infrastructure project in Scotland when under construction. As part of this, NHS Lanarkshire are required to work with a number of external Parties to provide assurance, including the newly formed NHS Scotland Assure.

The Outline Business Case was approved by Scottish Government in July 2023 and we are now progressing to submit the Full Business Case in 2025.

Net Zero Carbon Pathfinder Project

The Energy Efficient Scotland Routemap requires public sector buildings to be zero carbon by 2050 and the Scottish Government has also called a Climate Emergency, committing to become a net zero carbon economy by 2045. The Net Zero Carbon Public Sector Buildings (NZCPSB) standard (“the Standard”) is a new voluntary standard which has been developed by Scottish Government to support the Public Sector in setting ambitious targets to achieve net zero outcomes for new buildings and major refurbishments.

The Standard supports a challenging, credible path to net zero carbon materials and energy supplies for all non-domestic buildings. By 2045, projects that adopt the Standard will achieve zero embodied carbon during construction and subsequently the whole life of projects, including operational energy. The Monklands Replacement Project has been selected as a pathfinder project for the new standard which has resulted in the requirement for an all-electric hospital. This demands innovative solutions and a substantial energy centre to accommodate all of the required technology.

Scotland's First Digital Hospital

The construction of a new Monklands Hospital has also created the opportunity and ambition for the new Monklands University Hospital to be Scotland's first digital hospital, directly benefitting its local community of patients, staff and visitors. Technology will be used to allow patients to access care advice and to navigate their way through the hospital easily and intuitively. The new hospital will ensure safer, better patient care and value for staff and for patients through the use of digital technology and real time information to support an efficient and effective patient journey. The hospital will have new digital systems to support patients and their clinical teams.

For further information, please visit to <https://www.monklands.org/>

Health Inequalities

The Board is committed to addressing health inequalities throughout Lanarkshire and, working with our Community Planning Partners, there will be a renewed focus on improving the exacerbated socioeconomic and health inequality challenges faced by Lanarkshire since the pandemic.

The Board has adopted a 'place based approach' to regenerate what will be the vacant Monklands Hospital site, and the work we are taking forward with Strathclyde University and Professor Sir Harry Burns will form part of our wider triple lens strategic approach to tackling health inequalities in Lanarkshire.

University Strategic Partnerships

NHS Lanarkshire has entered into strategic partnerships with

- Glasgow Caledonian University in 2017 (and renewed in 2023)
- The University of the West of Scotland in 2018.
- Strathclyde University in 2019.
- University of Glasgow in 2025.

This resulted in the Board gaining university status for all three hospitals and both health and social care partnerships.

Living in Lanarkshire

Within the UK, Lanarkshire is situated in the heart of Scotland's central belt, the area offers an ideal combination of tranquil parks and market towns, with something for everyone.

Centrally located between Glasgow (c. 20 minutes) and Edinburgh (c. 40 minutes) you can easily commute or, should you wish to relocate, you can choose either a substantial Lanarkshire town or a more relaxed rural location and still have the attractions of two major cities on your doorstep. The county offers accessible links to major cities with easy access to major motorway/rail routes and international airports allowing you to travel across Scotland, the UK and beyond.

There are many attractions within Lanarkshire, including:

- New Lanark World Heritage Site
- Antonine Wall World Heritage Site
- The Falls of Clyde
- Summerlee -The Museum of Scottish Industrial Life
- The National Museum of Rural Life
- Strathclyde Country Park
- Scottish Wildlife Reserves on the shores of the River Clyde
- Various Museums, Galleries, Castles, Heritage Centres
- Numerous country parks

Schools

The majority of Glasgow's independent schools are located just outside the city centre.
