

NHS Lothian Western General Hospital, Edinburgh

Exciting opportunities are available for Registered Nurses to join our Nursing Team here at the Western General Hospital. We have multiple Band 5 positions available and we are looking for passionate, caring, motivated people to join our highly skilled nursing teams.

The Western is a modern teaching hospital that provides a comprehensive range of services for the people of Lothian and beyond. It has Medical, Surgical and Oncology inpatient services, outpatient, day services, admission/assessment units and a range of specialist services including Haematology/Oncology, Colorectal Surgery, Urology and The East of Scotland Regional Infectious Diseases Unit.

The Western is based in the heart of Edinburgh and has a total of 475 beds. We pride ourselves in being a professional, friendly and supportive team who put high quality patient centred care foremost in what we do.

We offer the opportunity to work with talented teams within multidisciplinary environments, impacting positively on the lives of thousands of patients and their families.
