

PHARMACY AND MEDICINES
ENSURING PATIENTS GET THE BEST FROM THEIR MEDICINES

**NHS Lothian Pharmacy & Medicines Service
St John's Hospital
Pharmacy Support Worker – Higher Level
Band 3, 37.5 hours, - 1 WTE Permanent
£21709 - £23603 pro rata**

NHS Lothian covers Edinburgh city, East Lothian, Midlothian and West Lothian. We are the second largest health system in NHS Scotland and one of only four teaching Boards. We have strategic partnerships with local Universities, Local Authorities and our four Integration Joint Boards. We serve a population of 900,000, providing a range of primary, community based and acute hospital services. We also provide regional and national services across a range of clinical specialties.

We are looking for an enthusiastic and motivated individual to work within the technical team as a Pharmacy Support Worker – higher level. As a pharmacy support worker within hospital services you will be part of well-established teams delivering high quality pharmaceutical care to patients. You will participate in assisting in the provision of a range of technical pharmacy services. This will involve competencies within the dispensary, distribution and planned unit. The successful candidate must be educated to SCQF Level 6 with relevant work experience in a healthcare or pharmacy environment. The completion of an in-house competency based Group Award accredited via Edinburgh College within 12 months of commencing the post will also be required. The completion of in-house training programme to demonstrate competency for role will also be required.

Successful candidates will have an enthusiasm for learning and development, a professional attitude, and a passion for working in healthcare with the potential to contribute to the delivery of our high-quality pharmaceutical care. As well as a drive for personal development, candidates should demonstrate personal values aligned with those of our organisation: NHS Lothian Values.

If you have any questions regarding the role and would like to discuss further then please get in touch with either;
