

Department of Medical Physics, Royal Infirmary of Edinburgh & Western General Hospital

Clinical Technologist Associate Practitioner (Service Technician).

Permanent, Full Time (37.5 hrs/wk): 2 Posts.

Salary Scale: Band 4

An exciting opportunity has arisen for two positions within the Medical Equipment Management Service, one each at the Royal Infirmary of Edinburgh (RIE) and the Western General Hospital (WGH), to support the delivery of a medical equipment management service.

Medical Physics is recruiting experienced electronic / electro-mechanical service technicians, graduates or technicians from other industry to work within healthcare science as a medical equipment technologist, within the Medical Equipment Management Service. You will be qualified to SCQF level 8 in an electronics or medical engineering discipline, and experience of electronics and fault finding. We are looking for persons who are self-motivated and able to work effectively within a team to ensure the day-to-day running of the service. Good interpersonal skills are essential, as is a flexible and methodical approach to the required tasks. These posts may involve travelling and working at various hospitals and clinics in Lothian.

The Medical Equipment Management service has a track record of developing staff to enhance career opportunities. With a clear focus on quality and patient services, you will join an enthusiastic multidisciplinary team and be trained to provide an equipment management service for a wide range of medical equipment. You will work across many clinical specialities, supporting the delivery of world class healthcare at four acute hospital sites and within the local healthcare community. You will be self motivated and able to work effectively within a team to ensure the day-to-day running of the service. Good interpersonal skills are essential as is a flexible and methodical approach.

NHS Lothian serves a population of approximately 800,000 in a region covering 700 square miles, comprising the City of Edinburgh, Midlothian, East Lothian and West Lothian. It is an area of exceptional beauty and contrast, from the splendour of Edinburgh to the beauty and variety of the hills, countryside and coastline. The nearest major town outside Edinburgh is Livingston, a thriving location in the heart of West Lothian.

Informal enquiries and visits to the Medical Physics Department are welcomed by Stephen Roberts, East Sector Manager: Tel. 0131 242 21101, email [stephen.roberts@nhslothian.scot.nhs.uk](mailto:stephen.roberts@nhslothian.scot.nhs.uk), Colin Hand, Team Leader at RIE: Tel 0131 242 2353, email [colin.hand@nhslothian.scot.nh.uk](mailto:colin.hand@nhslothian.scot.nh.uk) or David Foster, Team Leader at WGH: Tel 0131 537 2168, email [david.foster@nhslothian.scot.nh.uk](mailto:david.foster@nhslothian.scot.nh.uk)
